

A GATEWAY TO BUSINESS

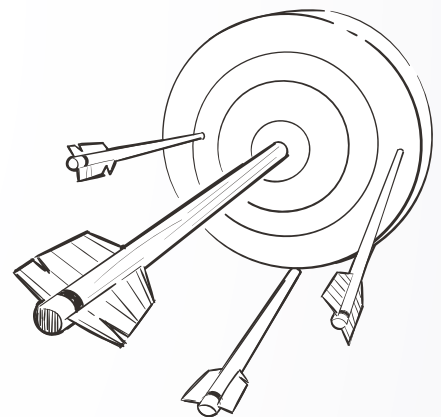

About Us

SAVOR International Limited is an exhibition organizer that provides the industry with platforms that bring together buyers and sellers from around the world, through a portfolio of exhibitions, content led conferences & seminars. SAVOR is an interface between Government, business, academia, society and media etc. SAVOR hosts large scale exhibitions and conferences across the country every year; thereby enabling trade across multiple industry verticals.

Backed by an experienced team of professionals, SAVOR's events draw the attention of both local and international participants. SAVOR's commitment to ensuring greater mileage for exhibitors and partners is evidenced by the creation of memorable and effective events. SAVOR's events are conceptualized with an innovative mindset that's backed by extensive research and planning whilst tapping on an extensive network of resources.

Besides organizing Exhibitions, SAVOR also works as a full-fledged 'Trade Promotion Agency' assisting Companies expand their Operations and Network in neighbor countries and also Worldwide.

Mission, Vision & Values

Design platforms for the exhibitors and visitors that unveil ***a Gateway to Business.***

Valuing Our People

We put the uppermost priority on recruiting, developing and retaining outstanding people. The quality of our people is a key driver of our success. At SAVOR, we create an environment in which our people find value and meaning in their work and deliver outstanding performance for our clients. Our managers are actively committed to enabling our people to take responsibility for their learning and to continue to grow and develop. We recognize and reward achievement. More, we enjoy what we do and celebrate our success. Our people are empowered to maximize their potential and contribution. Above all, we respect our people, encourage open and honest communication and behave in an ethical and principled manner.

Focusing on Customers

We treat our customers fairly. Everything we do is driven by our customers' needs. We have a passion for understanding and exceeding our customers' expectations. We want to be their indispensable partner and committed to providing demonstrably superior services with the highest level of quality and excellence. Plus, we strive to be professional in all our customer dealings and are highly valued and respected by our customers.

Innovation

We welcome and push change. We encourage our people to be entrepreneurial, take some risks and learn from mistakes. We are ready to make bold moves and decisions. We constantly look for new ideas, and value 'out-of-the-box' thinking. We keep things simple and minimize bureaucracy.

No Boundary

We welcome the global nature of our business and encourage people to work collaboratively across business units, hierarchy and functions. We constantly strive to break down barriers and welcome Partnerships / Alliances / Joint-Ventures from Exhibition organizers, companies, and individuals, Agencies or Associations.

Partnership

SAVOR International Limited organizes exhibition around the year on all important sectors of the trade & economy in Bangladesh and has a commendable presence as one of the leading Exhibition Organizers of Bangladesh.

SAVOR is looking at Alliances and Joint-Ventures to tap onto further expanding the businesses. With our growing presence and activities, we at SAVOR, welcome Partnerships / Alliances / Joint-Ventures from Exhibition Organizers, Agencies or Associations. We also welcome Investments from Companies / Individuals. If you may have a business proposal, please write to our Managing Director at md@savorbd.com. We also welcome Exhibition Agencies to represent us in any Country as our Associate / Partner. Please write to md@savorbd.com

Message from The Chairman

Savor International as an entrepreneur, that too in the exhibition industry, the urge to explore new avenues and test new waters with expertise is persistent. We organize exhibitions around the year on all important sectors of the trade & economy in Bangladesh and have a commendable presence as one of the leading Exhibition Organizers of Bangladesh. Moreover, we are exploring further with our project beyond domestic peripheral and trying hard to reach other countries of South East Asia mostly.

We have experience in delivering world-class events, providing local, regional and international exhibitors with unmatched expertise and in-depth market knowledge. We are constantly on the lookout for opportunities to scale greater heights.

We are committed to delivering an unparalleled standard of service and will take every effort to ensure utmost satisfaction to both exhibitors and visitors. For over a decade Savor International has been creating innovative exhibition stands, providing a complete design, production and management service.

We differentiate and value our clients by dealing with them constantly with the high principles of professionalism, human ethics and morals along with creativity and innovation.

Our aim is to bring potential clients to your stand using the latest techniques to maximize your effectiveness on the show floor.

Amirul Islam

Chairman
SAVOR International Limited

Message from Managing Director

Our mission is to be a leader in the exhibition industry of Bangladesh, providing complete exhibition services and solutions. We help in building the Bangladeshi economy strong and project its soft image worldwide; we also identify and meet the needs of Bangladeshi and Global Exhibitors in staging their businesses on international forums. SAVOR creates and streamlines the perfect networking of direct interaction between potential buyers and sellers at B2B & B2C levels.

Our vision is to be dynamic and unique, Innovative and ingenious, developing promotion and marketing national and international Exhibitions and Trade Fairs. We Provide “Total Exhibition Solutions” from conceptualization to execution with honesty, performance and satisfaction.

Beside Bangladesh, we are also trying to explore more elaborately in South East Asia with our projects. Already we have our strong footstep in Myanmar and Nepal and planning more to reach within short span of time.

I believe that the most valuable thing we have & deserve more to be proud of is- The spirit we have. Hope this spirit will lead us towards achieving our goal in every coming endeavor.

Md. Faizul Alam

Managing Director
SAVOR International Limited

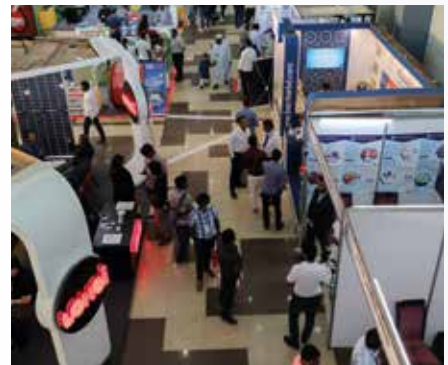

Savor Exhibitions

About Safecon

SAFECON is a true & splendid showcase of the Safe & Sustainable Construction & Building Materials, Method, Equipment & Real Estate sectors in Bangladesh. About BIMOX Expo

Bangladesh International Marine and Offshore Expo (BIMOX) is slated to be Bangladesh's most comprehensive international business platform encompassing all aspects of ship building, ship repairs, shipping, maritime engineering, offshore engineering & technology, shipbreaking equipment, dredging equipment and ports & logistics.

This exhibition will help to create the Industry Transformation Map (ITM) with the maritime community as the event is an exceptional meeting point for the global maritime community in Bangladesh, a region where the industry remains buoyant and strong growth is set to occur. It will serve as a blueprint that encompasses strategies for productivity improvement, innovation and the right skills to drive future industry growth.

ABOUT INTERNATIONAL EXHIBITION ON HORECA MARKET & HOSPITALITY BANGLADESH

INTERNATIONAL EXHIBITION ON HORECA MARKET & HOSPITALITY BANGLADESH is a true National & International Organizations Exhibit SMART Products and Solutions for modern HORECA & Hospitality styles is positioned as a strategic converging event for manufacturers from all over the world who would like to showcase their products to Bangladesh's top importers, trading houses, agents and distributors, retailers, chain stores, etc. to be an integral part of the growing consumer boom in Bangladesh. Expositions under this expo will be **Hotel Equipment & Furniture, Industrial Kitchen Equipment & Machineries, Hotel Design Solution, Food Services, Technology & Facility Management.**

About Bangladesh Expo

Bangladesh Expo, the single country Bangladesh Trade Fair held in Nepal. The convener of the exhibition is the Embassy of Bangladesh, Kathmandu, Nepal. This endeavour is to create an impact among the Bangladeshi entrepreneurs to expand their business and assess the possibilities to make new ventures in Nepal. It will open up the opportunity for our country's business persons who are planning to expand their business and willing to go for export in their respective business sector in another nation and contribute our national GDP in various ways. Through this exhibition, Bangladeshi companies can grab the scope for showcasing their products, materials and commodities to expand their market in Nepal.

About BUILDERS MYANMAR

Builders Myanmar is set to be Myanmar's most complete Building & Construction event in Myanmar that brings together an international congregation of building and construction companies, contractors, property developers, architects and also its supporting industries gathered in Yangon to showcase the latest developments in the building and construction industry.

SAFECON-2019

Tipu Munshi, M.P

Minister
Ministry of Commerce

I truly believe that the 'SAFECON-2019' exhibition is the proper place to show our competitiveness and make business collaboration with others. Furthermore, the continued cooperation and collaboration with stakeholders will ensure to spearhead our Country in that drive business development, investment, trade, and adherence to standards.

BIMOX-2019

I am impressed by the noble objective of the exhibition as it creates opportunity to share the experiences and business opportunity between the local organizations and foreign companies in the Maritime Industry.

I wish a great success of the exhibition.

SAFECON-2019

S.M. Reazul Karim, M.P

Minister
Ministry of Housing and Public Works
Govt. of the People's Republic of Bangladesh

I believe this exhibition will help to create the Industry Transformation Map (ITM) with the construction community as it brings all the renowned companies relevant to this industry at the same platform. It will serve as a blueprint that encompasses strategies for productivity improvement, innovation and the right skills to drive future industry growth.

BIMOX-2019

M. A. Mannan, M.P

Minister
Ministry of Planning
Govt. of the People's Republic of Bangladesh

I expect this exhibition will bring more dimensions in this industry and will give a sustainable platform for the local and international entrepreneurs to showcase their safe, sustainable, energy efficient technologies, products and materials. It will be really worthy to meet with the dealers, distributors and traders, owners related to this field and can ensure a successful business platform for improving the industry.

I express my deepest appreciation to SAVOR International Limited and their team for organizing such event.

BIMOX-2018

Golam Dastagir Gazi, BP, M.P

Minister
Ministry of Textiles and Jute
Ex-President
Bangladesh China Chamber of Commerce and Industry (BCCCI)

I expect this exhibition will bring more dimensions in this industry and will give a sustainable platform for the local and international entrepreneurs to showcase their safe, sustainable, energy efficient technologies, products and materials.

SAFECON-2018

I hope, this summit & exhibition will provide a common platform for the domestic and international entrepreneurs to showcase their ECO friendly technologies, products and services on the safecon 2018, Power-Gen 2018, Renewable Energy Show 2018, Safe HVACR 2018 & Water Management and I hope that our consumer will respond to this noble event by showing increasing interest in safe & sustainable construction materials and equipment oriented industries and in the realm of environmental protection.

SAFECON-2018

Amir Hossain Amu, M.P

Ex- Minister
Ministry of Industries
Govt. of the People's Republic of Bangladesh

It will surely widen up the opportunities to create awareness among the future engineers, policy makers, technologist, producers and users about the latest innovation and technological advancement in the field of construction industry.

SAFECON-2018

Tofail Ahmed, M.P

Ex- Minister
Ministry of Commerce
