It gives me immense pleasure to extend a warm welcome to all participants of the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This landmark event reflects Bangladesh's growing presence and potential in the global maritime and offshore arena.

The maritime sector plays a pivotal role in strengthening Bangladesh's blue economy, trade security, and sustainable development. With our nation's steady progress in enhancing naval and maritime capabilities, BIMOX serves as a dynamic platform for innovation, knowledge sharing, and forging international cooperation.

The Bangladesh Navy remains steadfast in safeguarding our maritime sovereignty, ensuring safe and secure sea lines of communication, and supporting the country's economic aspirations. I am confident that BIMOX 2025 will open new horizons of opportunity, inspire meaningful collaborations, and contribute to the continued advancement of our maritime industry.

I convey my sincere best wishes for the resounding success of this prestigious exhibition and for all participants to achieve rewarding and fruitful engagements.

Thank you.

## Messege

---

It is my pleasure to extend a warm welcome to all participants, exhibitors, and distinguished guests of the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This prominent event underscores Bangladesh's growing maritime ambitions and highlights the vital role of ports and logistics in national development.

Mongla Port, as one of the country's key seaports, plays a crucial role in facilitating trade, enhancing connectivity, and supporting the growth of the blue economy. Events such as BIMOX offer an excellent platform to showcase innovations, strengthen industry partnerships, and promote best practices in maritime infrastructure, logistics, and operations.

I am confident that BIMOX 2025 will foster collaboration, inspire new initiatives, and contribute significantly to advancing Bangladesh's maritime and offshore sectors. I extend my best wishes to the organizers and all participants for a successful and rewarding exhibition.

Thank you.

**Rear Admiral Shaheen Rahman, NUP, ndc, ncc, psc**

## Messege

---

It is my great pleasure to welcome you all to the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This prestigious event represents an important milestone in showcasing Bangladesh's growing potential in the maritime and offshore sectors.

The marine and offshore industry is a vital driver of our national economy and plays a critical role in strengthening our blue economy, trade security, and sustainable development. As Bangladesh continues to enhance its maritime capabilities, events like BIMOX create an invaluable platform for knowledge exchange, innovation, and international collaboration.

The Bangladesh Coast Guard remains committed to safeguarding our maritime interests, ensuring safe sea lanes, and supporting the nation's economic growth. I believe BIMOX 2025 will inspire new opportunities, foster meaningful partnerships, and contribute significantly to the advancement of our maritime industry.

I extend my best wishes for the grand success of this exhibition and to all participants for fruitful engagements ahead.

Thank you.

It is my pleasure to extend a warm welcome to all distinguished guests, participants, and exhibitors of the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This prestigious event highlights Bangladesh's growing maritime and offshore potential and serves as a platform to promote innovation, trade, and sustainable development in the sector.

Payra Port, as one of the nation's emerging gateways, plays a vital role in enhancing trade connectivity, supporting the blue economy, and driving regional economic growth. Platforms like BIMOX provide an excellent opportunity to share knowledge, explore new technologies, and foster collaboration among industry leaders, policymakers, and stakeholders.

I am confident that BIMOX 2025 will inspire meaningful partnerships, encourage innovative solutions, and contribute significantly to the advancement of Bangladesh's maritime and offshore industries. I wish the organizers and all participants every success and fruitful engagement throughout the exhibition.

Thank you.

**Rear Admiral Masud Iqbal, NPP, ndc, psc**

## Messege

---

It is my distinct pleasure to welcome you all to the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This esteemed gathering brings together industry leaders, innovators, and stakeholders to showcase Bangladesh's progress and aspirations in the maritime and offshore domains.

The Department of Shipping plays a central role in regulating and facilitating our nation's shipping sector, ensuring maritime safety, compliance with international standards, and the development of efficient maritime transport systems. As global trade continues to expand, our shipping industry must adapt with innovation, resilience, and sustainability. Platforms such as BIMOX provide a timely opportunity to exchange expertise, introduce modern technologies, and forge partnerships that will advance our national maritime interests.

I believe that BIMOX 2025 will inspire meaningful dialogue, strengthen cooperation among stakeholders, and open new avenues for the growth of Bangladesh's maritime industry. I extend my best wishes for the success of this prestigious exhibition and fruitful outcomes for all participants.

Thank you.

**Commodore Md. Shafiul Bari, (ND), ndc, psc, BN**

## Messege

---

It is a privilege and honor to welcome you all to the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This distinguished event stands as a testament to Bangladesh's ambition to expand its maritime and offshore capabilities and strengthen its position in the global maritime community.

Bangladesh is blessed with an extensive riverine network and strategic access to the Bay of Bengal, making inland and maritime connectivity a cornerstone of our national development. The inland water transport sector, under the stewardship of BIWTA, plays a vital role in easing trade, ensuring safe navigation, and contributing to the growth of our blue economy. BIMOX provides a timely opportunity to highlight these strengths while fostering innovation and partnerships for a sustainable maritime future.

I am confident that BIMOX 2025 will not only promote knowledge exchange and collaboration but also inspire new initiatives to harness our maritime potential more effectively. I wish the organizers, exhibitors, and participants every success in making this exhibition a milestone event for Bangladesh's maritime journey.

Thank you.

It is my pleasure to welcome all distinguished guests, exhibitors, and participants to the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This prestigious platform reflects Bangladesh's growing maritime aspirations and its commitment to harnessing the vast opportunities of the blue economy.

The Marine Fisheries Academy has long been dedicated to developing skilled professionals for the fisheries and maritime sectors. As the sustainable use of marine resources becomes ever more crucial, knowledge, innovation, and international cooperation are key to ensuring food security, economic growth, and environmental stewardship. Events like BIMOX provide an excellent opportunity to connect industry, academia, and policy stakeholders in building a more resilient and future-ready maritime industry.

I believe BIMOX 2025 will inspire new ideas, promote meaningful collaboration, and contribute to strengthening Bangladesh's position in the global maritime and offshore community. I wish the organizers every success and extend my best wishes to all participants for rewarding and fruitful engagements.

Thank you.

It is a great honor for me to welcome all distinguished guests, participants, and exhibitors to the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, organized by Savor International Ltd. This exhibition represents an important step in advancing Bangladesh's maritime and offshore industries, which are key drivers of our national development.

The National Maritime Institute remains committed to producing highly skilled seafarers and maritime professionals to meet both national and global demands. In today's evolving maritime landscape, the need for modern training, innovation, and international collaboration is greater than ever. BIMOX provides an ideal platform to connect stakeholders from education, industry, and government to share expertise and promote sustainable growth of the maritime sector.

I am confident that BIMOX 2025 will open new doors of opportunity, foster stronger cooperation, and contribute to the continued success of Bangladesh's blue economy. I wish the organizers every success and all participants a fruitful and rewarding experience.

Thank you.

## Messege

---

It is to welcome all participants, exhibitors, and delegates to the Bangladesh International Marine & Offshore Expo (BIMOX) 2025.

I commend the organizers for creating this essential platform. As the President of the BCCCI, I see BIMOX as a powerful symbol of the growing economic and strategic relationship between Bangladesh and China, extending our partnership into the vital maritime and offshore sectors. Bangladesh is strategically located and its economic rise is deeply tied to the blue economy from our bustling ports and expanding logistics infrastructure to our thriving shipbuilding industry. With a huge cargo moving through our waterways, continuous modernization and technological advancement are non-negotiable for sustaining our national growth trajectory, especially as we prepare for LDC graduation.

BIMOX 2025 is the perfect nexus for this progress. It brings together global experts in shipbuilding, offshore technology, and sustainable operations, allowing our local industry to engage with international innovation firsthand.

China stands as a world leader in marine engineering and port development. This Expo offers a crucial opportunity for Bangladeshi and Chinese enterprises to collaborate, facilitating the transfer of high-efficiency machinery, digital transformation technologies, and sustainable solutions vital for our ports and shipyards. By forging these partnerships, we can jointly secure investment, share knowledge, and ensure Bangladesh builds a modern, resilient, and competitive maritime infrastructure.

I wish every participant a highly successful, informative, and impactful experience at BIMOX 2025. May the connections made here navigate us toward a shared future of blue economic prosperity.

Thank you.

## Messege

---

Dear Participants, Exhibitors, and Visitors,

It is a great pleasure to welcome you to the 7th Bangladesh International Marine & Offshore Expo (BIMOX) 2025, proudly organized by Savor International Ltd. This event, taking place from October 30 to November 1, 2025, at the International Convention City Bashundhara (ICCB) in Dhaka, reflects our dedication to the advancement of Bangladesh's marine and offshore industries.

BIMOX has established itself as a premier platform for showcasing innovations, fostering collaboration, and advancing sustainable growth within the marine and offshore sectors. As global economic and environmental landscapes evolve, the blue economy plays a pivotal role in balancing economic development with ocean health. This year, BIMOX features a lineup of exhibitors, industry experts, and thought leaders from around the world, providing an unparalleled opportunity to connect, exchange ideas, and explore solutions that align with our sustainable goals.

I extend my sincere thanks to our partners, exhibitors, and visitors who make BIMOX 2025 possible. Your participation and enthusiasm strengthen our mission to elevate Bangladesh's position within the global marine industry and contribute to a brighter, sustainable future.

Welcome to BIMOX 2025, and I wish you a productive and inspiring experience.

Warm regards,

**Md Faizul Alam**

Managing Director  
Savor International Ltd.

# Scania Engines

From propelling planing vessels to pushing heavy barges upstream and managing heavy-duty auxiliary applications, Scania's power systems are up for the job. They can be found in marine operations around the globe, offering immediate response, impressive power-to-weight and fuel efficiency, and the feeling of absolute trust and reliability to everything from patrol and fishing boats to passenger ferries and cargo ships.

We provide electric machines, batteries, and engines that span from 220 to 1,150 hp (162-846 kW) as well as instrumentation, aftertreatment systems, and other adjacent components. These can be combined with numerous transmissions, propellers, and reverse gears to create the most suitable power solution for a specific operation. And with comprehensive support services all the way from design and installation to actual operation, Scania is a solid partner for both shipyards and operators.

AUXILIARY

## Engine Type

Auxiliary purposes

## Output Range

Up to 640 kW

## Displacement

9.3 litres, 12.74 litres, 16.4 litres

## Compliance

Scania's marine engines are certified to a number of different emission regulations.

PROPULSION

## Engine Type

Propulsion purposes

## Output Range

Up to 1200 hp (882 kW)

## Displacement

9.3 litres, 12.7 litres, 16.4 litres

## Compliance

Scania's marine engines are certified to a number of different emission regulations.

E-MACHINE

## Type

Electric Machine

## Output

150-230 kW continuous

## Speed Range

0 - 4,000 rpm
