Date: 6-8 November, 2025
Venue: ICCB, Kuril Bishwa Road, Dhaka

SHOW CATALOGUE

Mahbubur Rahman
Secretary
Ministry of Commerce
Government of the People's Republic of Bangladesh

Message

It is a great pleasure to extend my best wishes on the occasion of the **2nd Bangladesh International Medical Expo (BIMEX) 2025**, organized by **Savor International Ltd.**

The healthcare industry is playing a vital role in Bangladesh's socio-economic development. At present, a large proportion of our medical devices are imported, which highlights a significant opportunity for local production, foreign investment, and technology transfer. As our country continues to make significant strides in public health, local manufacturing, and medical technology, it is essential to promote platforms that encourage collaboration, innovation, and investment. BIMEX 2025 provides a unique opportunity for industry leaders, innovators, policymakers, and international participants to engage in meaningful dialogue and partnership. It also offers a gateway for global companies to explore the potential of Bangladesh's expanding healthcare market.

The Ministry of Commerce fully supports initiatives that promote trade, industrial growth, and knowledge exchange. I believe BIMEX will not only contribute to strengthening our healthcare infrastructure but also help enhance our export capabilities in this vital sector.

I commend **Savor International Ltd.** for organizing this important event and wish all participants a productive and successful expo.

Mahbubur Rahman
Secretary
Ministry of Commerce
Government of the People's Republic of Bangladesh

Md. Tipu Sultan

President

Bangladesh Medical Equipment Importers and
Suppliers Association (BMEISA)

Message

Message from the President of BMEISA

It gives me immense pleasure to welcome you all to the **Bangladesh International Medical Expo (BIMEX) 2025**, a distinguished platform that brings together healthcare professionals, innovators, and industry leaders from around the world. As President of the **Bangladesh Medical Equipment Importers and Suppliers Association (BMEISA)**, I am honored to witness how this event continues to contribute to the growth and modernization of Bangladesh's healthcare sector.

Our association is dedicated to ensuring access to world-class medical equipment in Bangladesh by fostering global collaborations, supporting quality imports, and maintaining high industry standards. **BIMEX 2025** provides a unique opportunity to explore groundbreaking medical technologies, connect with international partners, and discover solutions that will enhance patient care and healthcare delivery across the country.

This expo is more than a display of advanced equipment—it represents progress, partnership, and shared vision. By bringing together healthcare professionals, investors, suppliers, and innovators, we aim to strengthen networks that will drive sustainable growth and excellence in the healthcare industry.

I extend my heartfelt gratitude to all exhibitors, sponsors, and partners for their valuable contributions to the success of this event. Together, let us make **BIMEX 2025** a milestone of innovation, collaboration, and advancement in healthcare.

Warm regards,

Md. Tipu Sultan

President

Bangladesh Medical Equipment Importers and Suppliers Association (BMEISA)

Message

Dear Distinguished Guests and Participants,

It is a great honor to welcome you to the **Bangladesh International Medical Expo (BIMEX) 2025**, a premier platform that unites healthcare professionals, innovators, and industry leaders. As President of the Bangladesh Medical Instruments & Hospital Equipment Dealers and Manufacturers Association, I am proud to see how this event continues to strengthen its role in advancing healthcare and medical technology in Bangladesh and beyond.

Our association is dedicated to supporting local manufacturers, promoting international collaboration, and ensuring access to excellent medical equipment. **BIMEX 2025** provides an important stage where groundbreaking ideas, products, and services come together—shaping the future of patient care, hospital management, and medical innovation.

This expo is not only a showcase of modern medical instruments, but also a symbol of progress, partnership, and opportunity. By connecting healthcare professionals, investors, and industry experts, we aim to create a strong network that will drive lasting growth in Bangladesh's healthcare sector.

I extend my deepest gratitude to all exhibitors, sponsors, and partners for their invaluable contributions in making this platform stronger every year.

Together, let us make BIMEX 2025 a milestone of innovation, collaboration, and healthcare excellence.
Warm regards,

Sharif Uddin Ahmed

President

Bangladesh Medical Instruments & Hospital Equipment Dealers And Manufacturers Association

Message

Message from ASHRAE Bangladesh Chapter,

On behalf of the **ASHRAE Bangladesh Chapter**, it is a great pleasure to extend our full support and warm congratulations to the organizers of the **Bangladesh International Medical Expo (BIMEX) 2025**. This distinguished event serves as a beacon of progress in the medical field, uniting healthcare professionals, innovators, and stakeholders from around the world to foster collaboration and drive advancements in healthcare in Bangladesh.

At ASHRAE, we recognize the critical role of a healthy built environment in the healthcare sector—where proper ventilation, indoor air quality, and energy efficiency are essential to ensuring patient safety, comfort, and overall well-being. We share the vision of integrating sustainable, energy-efficient, and environmentally responsible practices into medical facilities to create optimal healing environments for patients.

As part of our commitment to the intersection of healthcare and engineering, the ASHRAE Bangladesh Chapter is proud to contribute expertise in building systems design and operation. We believe that this exhibition will open avenues for valuable dialogue, inspire innovative solutions, and strengthen efforts toward creating resilient, sustainable, and efficient healthcare infrastructures in Bangladesh.

We look forward to engaging with participants, exhibitors, and professionals during this event—sharing insights, exchanging knowledge, and collaborating to shape the future of healthcare.

We commend the organizers for their visionary initiative and wish **BIMEX 2025** every success in advancing transformative change in Bangladesh's healthcare landscape.

Best regards,

Engr. Md. Hasmotuzzaman
Chairman-MP, ASHRAE Bangladesh Chapter
President, FESCAB

Dr. Iftekhar Ahmed Sakib
President
Bangladesh Medical Students' Society

Message

Message from the President of the Bangladesh Medical Students' Society

It is my great privilege to welcome all participants, exhibitors, and visitors to the Bangladesh International Medical Expo (BIMEX) 2025. As President of the Bangladesh Medical Students' Society (BMSS), the national member organization of the International Federation of Medical Students' Associations (IFMSA), representing over 75 medical colleges across Bangladesh, I am honored to be part of this significant platform that brings together healthcare professionals, students, innovators, and industry leaders from across the world.

BMSS has long been committed to empowering medical students through advocacy, capacity building, and opportunities for international exchange. We believe that strengthening the knowledge, skills, and leadership of future doctors is essential to building a healthier nation. BIMEX 2025 aligns with this mission by offering medical students and young professionals a rare opportunity to engage with the latest developments in medical technology, healthcare solutions, and clinical practices—exposure that will directly influence our future roles in patient care.

This event is not just about showcasing advanced medical devices and technologies—it is about creating an environment of learning, collaboration, and growth. As the future of healthcare, it is essential for us to embrace these advancements, expand our knowledge, and build strong networks with experts and institutions dedicated to transforming healthcare delivery.

On behalf of BMSS, I sincerely thank the organizers, exhibitors, and participants for their commitment and contributions. Your efforts are instrumental in driving progress in the healthcare sector, and I believe BIMEX 2025 will continue to inspire and empower both experienced professionals and aspiring medical students.

Together, let us embrace this opportunity to learn, connect, and contribute towards a healthier tomorrow.

Dr. Iftekhar Ahmed Sakib
President
Bangladesh Medical Students' Society

Md. Faizul Alam
Managing Director
Savor International Limited

Message

Dear Esteemed Guests, Participants, and Industry Stakeholders,

It is with immense pleasure and pride that I welcome you to the **Bangladesh International Medical Expo (BIMEX)**, organized by Savor International Limited. As the Managing Director, I am honored to witness the convergence of healthcare professionals, medical technology innovators, and industry leaders under one roof, united by a shared commitment to advancing healthcare in Bangladesh and beyond.

BIMEX is not just an event; it is a platform that symbolizes the progress of medical science and the dedication of those who continuously strive to improve healthcare delivery. In this fast-evolving industry, where innovation and technological advancements are shaping the future of medicine, this expo aims to bridge the gap between knowledge and practice, offering a space for collaboration, learning, and inspiration.

We are proud to bring together exhibitors from all over the world, showcasing cutting-edge technologies, medical equipment, and solutions that can make a meaningful difference in healthcare. Through this exhibition, we hope to foster connections that will lead to impactful collaborations and innovations that benefit not only Bangladesh but the global medical community.

I would like to extend my heartfelt gratitude to our exhibitors, sponsors, partners, and visitors for their unwavering support. Your participation is what makes BIMEX a premier event in the region. Together, we can drive forward the vision of a healthier future for all. Once again, welcome to **BIMEX 2025**. May this event inspire, educate, and propel us towards new horizons in healthcare.

Warm regards,

Md. Faizul Alam
