targeted visitor over 3 days exhibition

**80**  
companies exhibited their products

total space of 30,000 sqm

## Bangladesh Electric Vehicle & Mobility Exhibition 2025 FOR THE EXHIBITORS:

The electric vehicle (EV) industry in Bangladesh is gaining momentum as the country aims to transition to sustainable and environmentally friendly transportation solutions. The government of Bangladesh has been actively promoting the adoption of electric vehicles. It has implemented various incentives and policies to support EV manufacturing, import, and usage. These include tax exemptions, reduced customs duties, and favorable loan facilities for EV manufacturers and buyers. The demand for EVs is gradually increasing in Bangladesh. Individuals, businesses, and government organizations are showing interest in electric two-wheelers, three-wheelers, and cars due to their cost-effectiveness, reduced environmental impact, and long-term savings on fuel costs.

The EV industry in Bangladesh is at a nascent stage but holds great potential for growth. With supportive government policies, expanding charging infrastructure, and increasing awareness among consumers, the country is poised to embrace sustainable mobility and contribute to a greener future.

## OBJECTIVE OF BEVMX 2025

- » BEVMX 2025 educates the public on the environmental, energy-efficient, and cost-effective benefits of EVs to create positive perceptions and generate interest among consumers and stakeholders.
- » BEVMX 2025 brings together industry professionals, manufacturers, policymakers, and experts to discuss trends, share knowledge, and foster collaborations for EV industry growth in Bangladesh.
- » The expo highlights advancements in EVs, charging infrastructure, energy storage, and renewable energy integration, offering a platform for cutting-edge solutions and market-ready technologies.
- » BEVMX 2025 enables exhibitors to present EV products and services to a targeted audience, fostering market penetration, sales growth, and connections with customers and investors.
- » Visitors can test drive EVs, interact with experts, and learn about EV features and performance, empowering them to make confident, informed decisions.
- » By achieving its objectives, BEVMX 2025 aims to drive sustainable transportation solutions while promoting innovation, collaboration, and growth in the EV industry.

## STRONG INDUSTRY PARTICIPATION

**Bangladesh Electric Vehicle & Mobility Exhibition 2025 (BEVMX 2025)** has opened its doors for Bangladesh, establishing itself as the country's most prominent platform for the electric vehicle, renewable energy, and sustainable mobility sectors. It serves as an ideal venue for business transactions and the introduction of innovations in EV technology, charging infrastructure, energy storage, and renewable energy integration. Some of the reputed companies have made remarkable showcases at the event this year.

### Few Top Exhibitors & Visitors Feedback:

I commend Savor International Ltd. for organizing this timely and impactful exhibition and wish the 2nd Bangladesh Electric Vehicle & Mobility Exhibition (BEVMX) 2025 every success. Events like BEVMX play a vital role in accelerating this transformation of green mobility.

Mr. Mahbubur Rahman  
Honorable Secretary, Ministry of Commerce  
Government of the People's Republic of Bangladesh

I am delighted to extend my heartfelt congratulations to Savor International Limited for their outstanding efforts in organizing the 2nd edition of BEVMX 2025. BEVMX 2025 serves as a vital platform where global stakeholders come together to drive industry growth.

Mr. Hafizur Rahman Khan  
President  
Bangladesh Automobiles Assemblers and Manufacturers  
Association (BAAMA)

I am pleased to extend my sincere appreciation to Savor International Limited for organizing the 2nd edition of BEVMX 2025. BEVMX 2025 provides an excellent platform for fostering business linkages, technology transfer, and investment between the two nations.

Mohd. Khorshed Alam  
President  
Bangladesh China Chamber of Commerce & Industry (BCCCI)

Not only for the environment, but also for the financial sector, our import expenditure for oil is increasing day by day. Therefore, we must move toward an oil-free and fuel-independent future. I sincerely thank the organizer Savor International Limited for this initiative

Mr. SK. Aminuddin  
Chief Executive Officer  
Akij Motors

The 'BEVMX 2025' exhibition highlighted the growing need for efficient EV charging stations, and we're proud to contribute to this vital infrastructure. We thoroughly enjoyed being part of this impactful event and thank Savor for organizing such a crucial show.

Md. Tenver Sahariar Utso  
Managing Director, CrackPlatoon Charging Solution Ltd.

This exhibition has been a great success, marking my first experience in Bangladesh's emerging EV bike market. We're excited to return for future editions as we see tremendous growth potential in this sector.

Mr. Gordon  
Ebike Project Director, Vassenbon New Material Co. Ltd

I come from Qinlan Town, Changchun City, Anhui Province, China. My company is called Fengyang Electronic Technology Co., Ltd. I believe there is a market for electric vehicles in Bangladesh. The quantity is really large and I think this exhibition is great.

Name: Zhang Mingyuan  
General Manager  
Company name: WFY (Wanfengyang)

Our company is from Shandong Junya in Linyi City, Shandong province, China. The main purpose of this trip to Bangladesh is to find business. For the last few days of observation, we think Bangladesh's electric battery is vast. It has great potential. We have very much hope to find suitable partners in Bangladesh. Thank you

Name: Guan Junjie  
Company name: JUNYA (Shandong Junya Automobile Industry Co., Ltd.)

I am from China's Jiangsu Zhaodaize Entrepreneurship Co., Ltd. Our company has been manufacturing electric tricycles for thirty years. We are exhibiting at a biggest exhibition in Bangladesh. Thank you

Name: Zou Qing Guang  
Company name: JIANGSU LUCKYBULL ELECTRIC MOTOR TECHNOLOGY CO., LTD

#### Business Desk

Bangladesh Electric Vehicle & Mobility Exhibition (BEVMX) 2025 and Bangladesh International Medical Exhibition (BIMEX) 2025 has been inaugurated at the International Convention City Bashundhara (ICCB) on Thursday.

The project is powered by Savor International Limited. The BEVMX 2025 in Bangladesh, benefits stakeholders in the electric vehicle (EV) industry by showcasing the latest EVs, bikes, technologies, components, charging infrastructure, and renewable energy integration.

It enables participants to explore innovative solutions, understand market trends, and stay updated on developments in the EV sector.

The BIMEX 2025 objective of the exhibition is to promote manufacturers, exporters, and service providers in the healthcare industry as preferred choice for medical industry in Bangladesh. It includes segments such as Medical Equipment & Technology, Lab Technology, Physiotherapy and Medical Disposables, says a press release.
